

Bible journaling is a creative response to God's Word using a variety of techniques from note taking, doodling, painting, collage, and rubberstamping. It is a way to connect with the Lord and apply His Word in your life using the gifts of time, talent, and treasure. Through drawing, journaling, and art you can document your walk with God leaving a legacy of faith.

Basic Supply List

- Notebook or art notebook or old Bible you don't mind writing or drawing in. (A Journaling Bible is great but you don't need it to start out. I recommend ESV Interleafed Journaling Bible because it gives you a whole page to use for writing notes or Art work)
