It is the goal of the Engage Community StratOps Team to get to know our neighborhood, offer our support and care, as well as bring awareness to our people of places they can serve as individuals or families. This allows us to live out the Grace mission in a practical way, "to develop passionate Christ followers who bring His life-changing love to our community." We pray, in time, we will build a partnership with a

local organization that allows our church family the opportunity to serve our local community on our campus on a more regular basis. We will highlight a new ministry each month for 2021.

This month, we are preparing 100 gift bags for healthcare workers in April. Also included will be GLEE preschool and ministry information about Grace. **You can participate by writing encouraging 'thank you' notes**, contributing money or donations, or assisting with filling the bags.

**Donation Ideas:** health drinks/water mixes, granola bars, raisins/dried fruit, hand lotion, hand sanitizer, tissue packs, mints, lip balm, chocolates, Emergen-C packs, etc.

Please donate what you would like. You need not donate

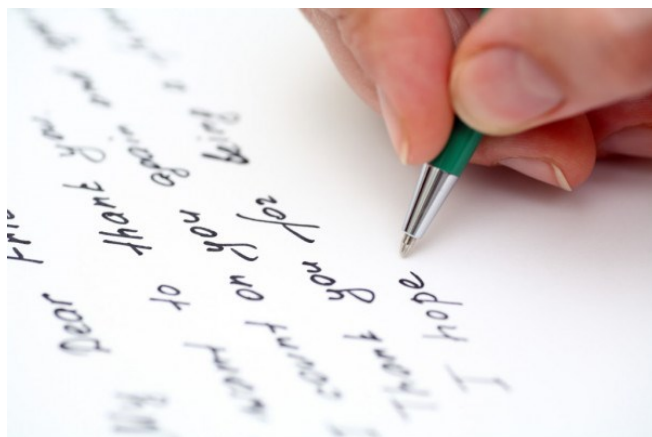

100 items. Anything you provide will be combined with other donations to make each gift bag unique!

**Place your cards and donations in the Narthex gathering area by April 18.**

**EVERYONE CAN SEND A NOTE OF ENCOURAGEMENT!**

Let Serena know if you would like to help with stuffing the bags:
