GLEE SOCIAL SKILL OF THE MONTH

"Thanks for Sharing"

Sharing does not come naturally to young children. Acknowledge their needs and feelings while trying these tips for encouraging sharing:

- Set a time for sharing a toy. Children will learn that sharing a toy doesn't mean losing it forever.
- Play turn-taking games and teach the language of sharing. "May I have a turn when you're done?" shows courtesy and promotes sharing.
- Model sharing and talk about it. For example, "Would you like to share my orange? We can each have half."

A NOTE FROM MS. LAURA

This month construction begins on our new portico and drive thru for GLEE. This will ensure that you and your child will be shielded from the weather as you drop them off and pick them up. Our usual entrance to the school will be blocked so we will now be entering through the Church office doors. For the safety of the children we are changing the traffic pattern as well. Make sure to follow the map on the back of the newsletter to help a smooth drop off and pick up.

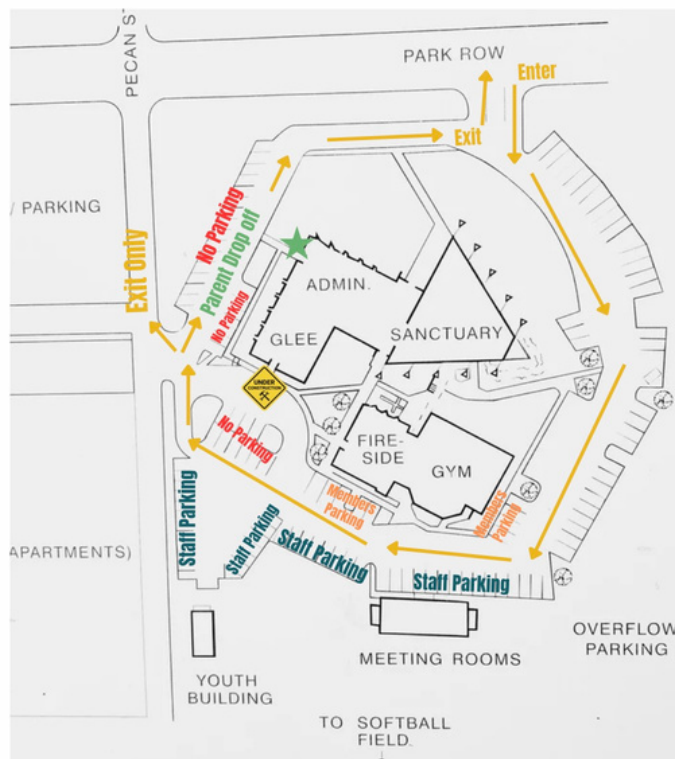

NEWSLETTER

NEW TRAFFIC FLOW 9/7/26

Beginning September 7, we will change our parking lot traffic flow until the construction of the portico is complete. We will enter through the Park Row entrance and drive around the church past the Pecan entrance to the church and then dropping off children at the Admin. building. When leaving we will follow the flow of traffic out to Park Row or once again driving around the building to exit at Pecan.

WHAT'S HAPPENING AT GLC

New sermon series starting September 13th The Finger of God.
